Major Variances between actuals and year to date budget`

Variances between year to date actual and year to date budget are highlighted in Section 1.4 Operating Revenue Performance and 1.5 Operating Expenditure Performance.

On Revenue there seem to be major variances between year-to-date budget and year to date actual, these variances are on interest on investments, Service charges, Fines, penalties and forfeits, and transfers and subsidies, this is due to that some revenue streams will tap in the upcoming months in the financial year.

Major variances on expenditure are on other materials, transfers and subsidies, debt impairment and depreciation. These expenditure items will pick up as the financial year progresses.

The Financial Performance indicate a deficit of **R34.7 million**, this means the Municipality was not able to generate enough revenue to cover all expenses for the period being reported.

MBRR Table C2 — Monthly Budget Statement Financial Performance (revenue and expenditure by functional classification)

Table C2 is a view of the actual financial performance in relation to revenue and expenditure per standard classification. The modified GFS standard classification divides the municipal services into

15 functional areas. Municipal revenue, operating expenditure and capital expenditure are then classified in terms if each of these functional and the Total Revenue on this table includes capital revenues (Transfers recognised – capital) and so does not balance to the operating revenue shown on Table C4.

MBRR Table C3 - Monthly Budget Statement Financial Performance (revenue and expenditure by municipal vote)

Table C3 is a view of the actual financial performance in relation to the revenue and expenditure per municipal vote. This table facilitates the view of the budgeted operating performance in relation to the organisational structure of the municipality. This means it is possible to present the operating surplus or deficit of a vote.

MBRR Table C7 - Monthly Budget Statement Cash Flow Statement

The budgeted cash flow statement is the first measurement in determining if the budget is funded and whether commitments and obligations are met.

CASHFLOW FROM OPERATING ACTIVITIES

Service charges

The Municipality has budgeted to collect **R43.6 million** on service charges, the estimated collection amount is based on the 80% collection rate. The collection rate is also based on previous years actual collection and initiatives the Municipality has taken to improve collection. The Municipality has collected **R39.9 million** to date, which is **91%** of the budgeted collection. From the year-to-date billing, **95%** was collected as to date.

The municipality has also taken the following initiatives to boost collection rate:

- > The municipality is not only collecting the current billing but also the debtors from previous financial years.
- ➤ The municipality has a revised revenue enhancement strategy
- > The municipality has an external debt collector to assist with the collection
- > The Municipality has replaced and installed 1182 new meters to ensure billing is accurate and not estimated.
- Municipality has adopted an indigent policy, and is in a process to write off indegent households.

Other Revenue

Other revenue includes receipts from tender fees, hall hiring, fines and forfeits, and office space rental receipts. The population of other revenue is higher than expected and not credible, the Municipality is a continuous engagement with the system vendor to resolve population of this line item. Other revenue on table C4 is **R495 thousand.**

Total debtors' amount to **R172.59 million**, which is an increase **of R19.5 million** from the opening balance of **R153 million** in July 2021. The debtors over 90 days amount to **R149.4 million**. This is concerning and needs intervention since debtors above 60 days should be restricted in terms of the Municipality's credit control policy.

Commitments adopted by council in the budget funding plan included eradicating debtors above 60 days, the Municipality is not close in meeting this target and intervention is required as a matter of urgency.
