# MBRR Table C2 — Monthly Budget Statement Financial Performance (revenue and expenditure by functional classification)

Table C2 is a view of the actual financial performance in relation to revenue and expenditure per standard classification. The modified GFS standard classification divides the municipal services into 15 functional areas. Municipal revenue, operating expenditure and capital expenditure are then classified in terms if each of these functional and the Total Revenue on this table includes capital revenues (Transfers recognised – capital) and so does not balance to the operating revenue shown on table C4.
